Marketplace Ministry Summit — March 30-31, 2007

Where "Entrepreneurial" and "Spiritual" Come Together

Would you like to know what God's word says about your job, your business, and your role in His Kingdom, and in the marketplace? The Kingdom Business Network is sponsoring a "SUMMIT" for Christians who want to impact their marketplace, be a blessing and be blessed. God is stirring a revival in the marketplaces of the world. DON'T MISS IT!

The Summit will be held at Christ Temple Church at 2400 Johnstown Road, in Huntington, West Virginia. Christ Temple Church has beautiful facilities for this type of event with seating for 1200, modern media equipment and ample, convenient parking.

There will be no charge for this conference and no registration fee. A love offering will be accepted to defray expenses.

We have invited two nationally known, dynamic speakers who are experts and proponents of Ministry

in The Marketplace: John Garfield, Pastor and Engineer, and author of a best selling book: **RELEASING KINGS INTO THE MARKETPLACE FOR MINISTRY**. John is a powerful speaker who empowers Christians to have a dream and learn to mix "entrepreneurial" with "spiritual"!

Secondly, **Jim Hodges**, President of the Federation of Ministers and Churches International since 1993, a relational network that brings forth the message of the Kingdom of God into nations and local venues. Brother Jim, a scholar of some note was director of missions and New Testament Studies at Christ For The Nations Institute, in Dallas, Texas, as well as pasturing four churches.

This life-changing event will be held **Friday March 30 at 7:00pm** and a seminar on **Saturday, March 31 9:00am – 1:00PM**. The conference will climax with an evening service/session on **Saturday evening at 7:00 pm**.

This is a wonderful opportunity for pastors to attend and bring business minded folks from their churches. Many entrepreneurs will find this event *enlightening* and ANYONE that goes to work and would like to impact their workplace for Christ will find this event invaluable.

John Garfield — Co-Author of “Releasing Kings”

John Garfield has authored two books on the emerging wave Marketplace Ministry. John is a successful engineer and manager in a large corporation. He also planted two churches and served as a senior pastor for 13 years. John was raised on a ranch in Montana, obtained his Bible College degree; worked on a master's degree in Christian Counseling and wrote a thesis on reaching Baby Boomers with the Gospel. His work is fueled by a deep desire to help people connect with their life's purpose and experience the satisfaction of God's favor and the joy of helping other people.

In this conference you'll see how God uses entrepreneurial hearts to build his Kingdom. You'll see that the desires of your heart can have a connection with God's heart; that you have been chosen by God to be His friend and Co-laborer. You'll learn how to break off poverty and see the practical role that wealth

plays in our “calling” to bless the nations. Your personal adventure will launch with a Biblical and practical foundation. God is moving in the Marketplace.

You'll learn that marketplace ministry is the passion that starts when God connects your job, business, ministry, and life purpose into one package. Entrepreneurs (like you) in your workplace or your home business bring a creative health to cash flow, co-workers and customers. Marketplace ministry begins with your dream or hobby and a desire that God put in your heart. An entrepreneurial spirit replaces that paycheck-to-paycheck mentality with a new optimism, financial health, and a new ability to make others successful. This conference is a riveting roadmap to freedom from a poverty mentality. Releasing Kings will connect you with the favor God already has on your life.

God wants to bless you so you can bless others.

We're called to literally bless the nations. Releasing Kings for Ministry in the Marketplace is the title of our book – it's also learning to move into your ministry and your dreams. You'll have a scriptural basis for the expansion of the Kingdom of God into all areas of society. Our message paints a picture of Kings who are naturally competitive, creative, and decisive, who are being used to fulfill the Great Commission. God is beginning another reformation by using an entrepreneurial people in marketplace ministry to fill the whole Earth with His Glory. You're invited!

“Releasing Kings” — Book Co-Author by John Garfield

Releasing Kings shows how you can be part of the next global revival that is beginning in the marketplace.

- The marketplace is an exciting new frontier for those called to ministry and evangelism...and business.

- You will begin to understand the new global perspective that is enabling enterprising business leaders to impact generations by passing their financial and spiritual heritages on to others.

- Understand your eagerness to pursue bold, creative and competitive ministry goals. You'll connect with the desires of your heart in a practical way.

- Discover new opportunities that are opening for mentoring others and sharing the secrets and benefits of

Christ centered business.

- Find PASSION for your CAREER (and your life!). You'll connect your vocation, ministry, and your life purpose for the very first time.

What's a King? "King" is the term we use to describe men and women who harness wealth and influence in the marketplace...in business, government, communication, education, entertainment, finance, the arts...to expand God's Kingdom. Releasing Kings for Ministry in the Marketplace is the title of our book – but it's really a movement of God's people into their ministry and their dreams. It provides a Scriptural basis for the expansion of the Kingdom of God

into all areas of society. It paints a picture of Kings who are naturally bold, competitive, creative, and decisive, who are being used to fulfill the Great Commission. God is going to use an entrepreneurial people to fill the whole Earth with His Glory.

If you have any doubt that what you do in the workplace is not just a job, but a true, God-assigned ministry, Releasing Kings will make you a believer. This book is a clear road map toward exciting new freedom for the saints in the Body of Christ.— C. Peter Wagner

I AM ONE WITH YOU

by Malcolm Smith

www.malcolmsmith.org

"I am one with you. I do not only behold you and walk with you, but I walk in you, feel with your feelings, know your despair from the inside of you and laugh with your joys and delights. My child there is no part of your life that I do not totally share.

I am the Resurrection and the Life, yet at the tomb of Lazarus, knowing that I would raise Him from the dead, I wept, entering totally into the experience of the grief of My friends. I grieved with their grief. So you too My child, your experience and the feelings you have at this moment are not merely facts that I know. I am now feeling in and with you. I am in your experience that you are passing through, I weep in your tears as I did with Martha and Mary, only more so for I dwell in you, the life of your life.

And do not feel guilt over your laughter and delight in the simple joys of life as if it is not part of My experience also. My child I laugh in you and share intimately in all the joys of your life; do you forget that I celebrated and laughed at a wedding feast?

I took to Myself your humanity. I received eyes that I might weep your tears of sorrow and suffering. I received human feelings that I might experience the full spectrum of your human emotions and fully enter into your pain and your joy. My child I have trod your path and know firsthand all that you are going through. I am not the remote spectator in your life but living it in you, experiencing it from within you second by second. I know and feel the onslaught of your temptation; I know and experience with you the fiery trial and the exhaustion it brings; I know from within you the darkness and loneliness of the journey.

Yet, My child, you hide your despair and fears from Me; do you think that I love you less for walking the darkened path. You tell Me of your victories as you hide your fears in the vain belief that I love you more in your days of triumph. My child, do you not remember that I was tempted in all points like as you are? That I cried to the Father that the cup of suffering be removed from Me? I have walked in your shoes and on your path and have felt the thorns that tear your flesh as you pass them. Realize that I share and live in your pain, your confusion and all your delights and joys. In it all I enfold you in My love.

My child, acknowledge that I share your life by giving Me your despair and fears and all your confusion without fear or shame. As you do so the great exchange takes place and My joy swallows up your pain, My wisdom guides you in your confusion, My strength causes you to walk with confidence in the darkness and My realized presence fills all your laughter and times of joy."

May you become aware of Him who is life of our life that the great exchange may take place.
